

SPEC SHEET

BATTERY & CHARGER

QEPBA4 & QEPCH1

Powered by QEP CONNECT, 18V 4.0Ah battery is compatible with cordless tools across the Vitrex and Roberts range. With overload protection & a built-in charge level indicator, these batteries are ideal for making sure the tools stay powered.

18V Fast Charger is compatible with QEPBA4 and provides rapid charging in 75 minutes for a 4.0Ah battery, keeping projects on schedule.
